

MANSTORE

M800

Pastel mint and kitschy surf-beach look, that's one of the new expressive moods of the collection. Our wonderfully lightweight and comfortable-to-wear jersey series is completely in line with the spirit of the times. The vibrant colors and prints, along with the diverse range of styles, allow for endless combinations. You stand out and wear whatever you want. There's something for every occasion.

M2366

Glam meets sport is the headline of this ultimately glittering series with sporty active details. The pleasantly elastic base fabric shimmers tonally in black or with a copper contrast. New styles like the Jock Biker create the provocative highlight of this series. Matte black contrast pipings give each item an interesting new look. Perfect for flashy posing on the dance floor.

M2367

Transparency meets black or copper gloss. Cleverly placed mesh inserts create a unique tension, showcasing your body with surprising glimpses. The seductive cuts enhance your extraordinary charisma. The comfortably elastic fabric can handle anything. Enjoy your personal moment in the spotlight.

M2368

Glam-Gym is the keyword for this series. The rediscovery of the 90s fitness lifestyle takes center stage. A dazzling bomber jacket and retro sprint shorts are the versatile highlights for all fashion addicts. Our familiar skimpy styles with a black contrast waistband complete the series and create the usual visual diversity. Everyone will find something for their personal glam fitness moment.

M2369

Snake-embossed faux leather gets a completely new look with copper accessories. This visually striking combination gives our well-known and beloved zipper styles a powerful twist. All variations, from the zipped string to the zipped vest, are redefined by this elegant combination, arousing curiosity in the observer. Showcase your masculine side. Refined zipper details trigger new possibilities for play. What more could you ask for?

M2370

Masculine-grained faux leather is one of our persistently enticing standards. Reinterpreted with masculine colors like dark gray/blue or strong olive, you will appear in a new light in our styles. The technically sophisticated shapes skillfully showcase your assets. Celebrate your masculinity and present yourself individually and in new colors to others.

M2371

The eye-catching sequin print on sheer mesh fabric forms the wildly new basis of this series. The colors of the sea, combined with the glamorous print, create a wonderfully striking and eccentric touch. The sheer base fabric adds a tantalizing sexiness. Skimpy styles

MANSTORE

complete your attention-grabbing presence. Whether combined with jeans and sneakers or worn alone, your message will be received.

M2372

Lace is still the ultimate fashion statement, and we take it to the extreme with this unusually glamorous, almost baroque color scheme. Lace with a suit is a seductive break from tradition and highlights your fashion sense. The skimpier cuts are for strong men who dare to show their feminine side. Step into this sensual world, surprise others, and be surprised. Show all your facets and let the games begin.

M2373

Black lacquer is still the ultimate seductive eye-catcher. We intentionally break this look with the naive, kitschy shades of mint and pink. This creates a wonderfully new perspective on lacquer, with silver zipper details for exciting experiments and encounters. Discover your playful and wild side. Be a little kinky and sexy in our new styles.

M2374

Trendy sporty terry cloth receives a completely new sexy sports look through skimpy and enticing sport-style interpretations. Show off your toned body in our new and cozy active styles and be prepared for dance-filled nights. The material is wonderfully soft and drapes around your body. The trendy fit creates a new look that we've never had in the collection before. Give it a try! All eyes will be on you.

M2375

Super skimpy shapes on silver-striped transparency are a true Manstore delight. The additional stripper snap closures unleash a sense of bold freedom. Extraordinary cutouts are stimulating and create space for movement and fantasy. The elastic and shimmering fabric is the perfect base for it all. This interplay is fun and incredibly sexy.

M2376

Shiny and printed lacquer looks on pleasantly flexible fabrics are our trademark. With this glossy foil print in rainbow colors, you'll wear the ultimate outfit for dance-filled nights and make a statement for diversity. Show your attitude and make your personal statement. The rainbow unites everyone who lives and celebrates their individuality. Be your own sensation and feel free.

M2377 Beach

This is the true ocean glam effect. Ultimate shimmering beach styles in green/blue/aqua/purple with refined metal ring details. From skimpy to fully glossy, there's something for everyone with that special glam factor. Perfect for hot beach days and as an exciting component of your outfit for every beach and sundowner party. There's only one rule: There are no rules anymore, except to stand out.

MANSTORE

M2378 Beach

Intense colors on pleasantly flexible jersey are a standard for every Manstore beach collection. The special feature is the combination of color variety with Manstore's own design language. Standout news includes the front lower-cut micro brief and the eye-catching hip biker. It arouses various fantasies and serves as the enticing accessory for seductively hot beach days or the subsequent sundowner party. The crowning touch for an endless summer.

M2379 Beach

Kitschy surf print looks are the fashion statement for every beach. Our skimpy designs are the finishing touch for your new beach look, including the new, lower-cut micro brief. The switch between spectacular solid colors and these eye-catching patterns makes you shine throughout the entire summer, allowing you to repeatedly reinvent yourself. Let the games begin.

M2380 Beach

Playful patterns and intense colors are the theme of beachwear. Our beach shorts combine these themes with the most eye-catching solids and the exciting and attention-grabbing surf-floral print. The quick-drying fabric is the enticing and practical companion for the entire beach day.
