## M800

Our classic in black receives, as in every season, a strong and color-intensive update. This imaginative combination of leopard print and cloudy color gradients is a striking visual highlight and is the ultimate way to set the scene with this virtual look. AI-generated prints make imaginary worlds real and blend opposites in an exciting symbiosis.

Enjoy this explosion of colors on your body and stage your personal show. The additional solid colors offer immensely large possibilities of combinations as a total look or in mix-and-match of solids and printed patterns. Dive into this game and combine as wildly as you like.

As always, we print on a lightweight and super comfortable microfiber fabric. This guarantees unlimited mobility and maximum comfort.

The jersey fabric is manufactured in Italy and printed in Germany. Like all our series, it is processed in Germany.

## M2463

Silver and leather are no longer a contradiction, but an exciting nightlife fetish option. High-quality, vegan leather is our standard and receives a completely new, glamorous look through an exciting silver foiling.

With technically sophisticated shape forms, you skillfully showcase your advantages. The jockstrap is lightly padded, creating a striking and beautiful shape that produces a tantalizing visual effect. Jocks, strings, various pants, and a zipper vest guarantee an extreme all-over look. There is something for every taste. Celebrate your glamorous masculinity in an endless party night.

## M2464

Like a silver rain, this spectacular tulle envelops you with exciting glossy effects. Glittering stripes flow over your body, giving your party look an exciting and extraordinary twist. Every party becomes your personal stage. Whether as a complete look or as a standout piece in your very personal styling: the transparent sexiness offers endless combination possibilities.

Brief styles are a must. However, the dazzling look comes into its own with styles such as long johns, long sleeves and bodies.

Extravagant and highly eye-catching clubwear styles made in Europe.

## M2465

Discover this exceptional men's club wear series, which not only impresses with its stylish cuts, but also with its outstanding wearing properties. These exclusive items are interwoven with fine lurex threads, which create a subtle and effective sheen and give you a fascinating look.

The underwear fits close to the body and skillfully emphasizes all the muscle areas you have trained hard for. The combination of fresh sky blue and classic black opens up countless possibilities to vary outfits and emphasize your personal style.

Made from high-quality and flexible Italian jersey, this series not only guarantees the usual perfect fit, but also maximum comfort. Each piece is processed in our own production facility, which stands for exquisite "Made in Europe" quality.

Experience this ultimate men's underwear series for going out, which is not only functional, but also a perfect styling highlight for unforgettable nights.

## M2466

We always play with seemingly incompatible opposites to create extremely interesting combinations and play possibilities. We have succeeded in doing this again here.

Tough and masculine leather with zippers in combination with rhinestones is the ultimate visual kick in this collection. Our zipper styles are a guarantee for fun and perfect styling at every wild party night. The rhinestone-studded zippers bring an unprecedented and crazy glam effect to your strong look. We offer various forms such as strings, jocks, and pants and invite you to sparkling explorations.

## M2467

The transparent chain mail shirt is the styling highlight of all fashion shows and must not be missing in our collection either. The metallic flowing effect coolly envelops the body, creating an extraordinary and flowing allure. The result is a cool wearing comfort that is second to none.

Countless combination possibilities are possible - as a shimmering highlight in contrast to black or white, or as an optical break to sporty styles, black suit, or the running pants. The most important aspect is that you feel comfortable, whether during the day or at night.

There is only one requirement: Enjoy every moment in this ultimate self-staging.

The fabric is woven in Italy and processed by us in Germany.

## M2468

Lace is an unbeatable trend and a party theme that gets a completely new look with this series. Transparency is seductively reinterpreted, refining your silhouette. This visually striking reptile look clings flatteringly to the body and lets you shine like a second skin.

The subtle shine of the surface adds a touch of luxury to your outfit, which you can expand in playful combination with other styles. The snakeskin effect is particularly prominent on long sleeves, biker pants and bodysuits. Brief styles get an incomparable and slightly transparent look.

There are no limits to your possibilities for play.

## M2469

Zipper styles are a must-have for any fetish party. Combined with masculine matte leather, we take this exciting game to the extreme. From excitingly tight to seductively covering styles, everything is included. The zipper function arouses curiosity and opens the door to extraordinary fantasies. Briefs and strings offer stimulating front zippers. The zipped boxer impresses with a continuous zipper arrangement. The new zipped body completely immerses your body in this sophisticated matte leather look and gives your spirit of experimentation a push.

Just go with the flow and enjoy what happens.

## M2470

Shimmering, oily gradients are an extravagant look and at the same time a strong fluid statement. One creates a new vision of oneself through brief and irresistible cuts in this rainbow-like reflecting foil optic.

The loosely cut casual t-shirt takes this oily flowing look to the extreme. The familiarly brief underwear shows extravagant color gradients and shades. The pleasantly thin and pliable fabric gives the wearer a wonderful wearing comfort and unlimited mobility. Enjoy your individual moment in the spotlight and let yourself fall.

The fabric is made in Italy and processed by us in Germany.

## M2471

Shimmering and intense colors accompany us through the exciting summer. This series is the perfect companion for hot summer days. Intense colors receive a special appeal through the shimmering foil optic. Summery colorful and cool shine - this is a wonderful combination that lets you shine individually. The wide range of colors and the various cuts stimulate your imagination.

Various briefs and strings as well as a colorfully sparkling tank top offer you a wide variety of unconventional combination possibilities. Let yourself be carried away in this sea of possibilities and try out everything you like.

The fabric is manufactured in Spain and sewn by us in Germany.

## M2472

The omnipresent and enticing interplay of different transparencies is taken to the extreme here by this modern and wonderfully colorful cloud print. The different textures of the materials are printed with the same print, thus creating striking and exciting insights through their transparent inserts. They stimulate diverse fantasies.

Whether on the beach or at the subsequent sundowner party in the beach club: you will be the center of attention.

The goods are manufactured and printed in Spain. The production of the items takes place in Germany in our own factories.

## M2473

Abstract wave gradients and colors are particularly plasticized by AI and change our viewing habits. With a shiny foil, we take the whole thing to the extreme and create a stunning look for the dance floor, the beach and the beach party.

The expressive colors cling to your body in waves, and all you can do is let yourself go and celebrate. Create a new vision of yourself and plunge into the waves of a long party night. All options are open. Everything is possible.

The fabric is knitted and printed in Italy and processed in Germany.

## M2474

The colors of the rainbow immerse you in a three-dimensional cloud, giving you an excitingly crazy and new look. This vibrant, AI-generated print shifts reality. Boundaries disappear and everything flows together in a crazy, colorful mix. Thus, your ultimate eye-catcher for the next parade is created.

Celebrate yourself and your community and let yourself be carried away in endless party nights. The matching solid colors are also available for wild combinations. The fabric is lightweight and flexible and suitable for the beach and for wild parties. Let yourself drift. Wherever you are.
